**Notes:**

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circular No. 14/2020, General Circular No. 17/2020 and General Circular No. 20/2020 dated April 8, 2020, April 13, 2020 and May 5, 2020, respectively, and clarification Circular No. 02/2021 dated January 13, 2021 issued by the Ministry of Corporate Affairs ('MCA Circulars') and Circular No. SEBI/HO/CFD/CMD1/CIR /P/2020/79 dated May 12, 2020, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 issued by the Securities and Exchange Board of India ('SEBI Circulars') permitted the holding of the Annual General Meeting ('AGM') through Video Conferencing ('VC') or Other Audio Video Means ('OAVM'), without the physical presence of the Members at a common venue. In compliance with the provisions of the Act, SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended (hereinafter referred to as 'Listing Regulations') and the MCA and SEBI Circulars, the AGM of the Company is being held through VC / OAVM.
2. Pursuant to the above said Circulars, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, Institutional / Corporate members (i.e. other than individuals/ HUF, NRI etc.) are required to send scanned copy of its board or governing body resolution/ authorization etc., for authorizing their representatives to attend the AGM through VC / OAVM on their behalf and to cast vote through e-voting (including remote e-voting).
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.
6. In line with the above Circulars the Notice calling the AGM along with Annual Report 2020-21 are being sent only through electronic mode to those members whose e-mail address is registered with the Company or the Depository Participant(s). Members may note that the Notice calling the AGM along with Annual Report has been uploaded on the website of the Company at [www.mersl.co.in](http://www.mersl.co.in). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).

7. The AGM will be convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with above said MCA and SEBI Circulars.
8. The members seeking any information with regards to accounts or any other matters to be placed at the AGM, are requested to write to the Company in advance through email at mers.ltd@gmail.com. The same will be replied by the Company suitably.
9. Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect of special businesses to be transacted at the Annual General Meeting (AGM) is annexed hereto and forms part of the Notice. Brief profile of the directors proposed to be appointed is set out in the Explanatory Statement to this Notice.
10. All the relevant documents referred to in this AGM Notice and Explanatory Statement etc., Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 and Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of the Companies Act, 2013 and other documents shall be available electronically for inspection by the members at the AGM. Members seeking to inspect such documents can send an e-mail to mers.ltd@gmail.com from their registered e-mail address.
11. Members holding shares in physical form are requested to inform the Company's Registrars and Transfer Agents, M/s. MCS Share Transfer Agent Limited (RTA), immediately of any change in their address and bank details. Members holding shares in dematerialized form are requested to intimate all changes with respect to their address, bank details, mandate etc. to their respective Depository Participants. These changes will then be automatically reflected in the Company's records. This will help the Company to provide efficient and better service to the Members.
12. Members holding shares in dematerialized form are requested to register their latest Bank Account details (Core Banking Solutions enabled account number, 9 digit MICR and 11 digit IFSC code) and Permanent Account Number (PAN) with their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's RTA as the same is mandated by the Securities and Exchange Board of India.
13. In terms of SEBI Notifications, requests for effecting transfer of securities (except in case of transmission or transposition of securities) are not being processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, the Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.
14. The Company request you to update your email address with your Depository Participants to enable us to send you communications via email. Members who have not registered their e-mail addresses, so far, are requested to register their email addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to provide their email address with details of their Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card as identity proof) and AADHAAR (self attested scanned copy of Aadhaar Card as address proof) by sending an e-mail to the M/s. MCS Share Transfer Agent Limited at mcssta@rediffmail.com or to the Company at mers.ltd@gmail.com.
15. Institutional/Corporate Members (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF / JPG Format) of its Board Resolution/ Authorisation etc., authorising its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorisation shall be sent to the Scrutinizer by e-mail through its registered e-mail address to jagannathcs@hotmail.com with a copy marked to evoting@nsdl.co.in.
16. The Register of Members and Share Transfer Books of the Company shall remain closed from Friday, 24<sup>th</sup> September, 2021 to Thursday, 30<sup>th</sup> September, 2021 (both days inclusive).

## 17. Voting through electronic means

- I. In compliance with Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, (Listing Regulations) and provisions of Section 108 of the Companies Act, 2013 read with related Rules, the Company is pleased to provide e-voting facility to all its members, to enable them to cast their votes electronically. The Company has engaged the services of National Securities Depository Limited (NSDL) for the purpose of providing e-voting facility (“remote e-voting”) to all its members.
- II. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Thursday, 23<sup>rd</sup> September, 2021, shall be entitled to avail the facility of remote e-voting as well as e-voting at the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
- III. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Thursday, 23<sup>rd</sup> September, 2021, shall be entitled to exercise his/her vote by following the procedure mentioned in this part.
- IV. The remote e-voting will commence on Monday, 27<sup>th</sup> September, 2021 at 9.00 a.m. and will end on Wednesday, 29<sup>th</sup> September, 2021 at 5.00 p.m. During this period, the members of the Company holding shares either in physical form or in demat form as on the Cut-off date of Thursday, 23<sup>rd</sup> September, 2021 may cast their vote electronically. ## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **Economic Outlook**

Non Banking Financial Companies (NBFCs) are emerging as an alternative to mainstream banking. Besides, they are also emerging as an integral part of Indian Financial System and have commendable contributions towards Government's agenda of financial Inclusion. They have been to some extent successful in filling the gap in offering credit to retail customers in underserved and unbanked areas.

NBFCs in India have recorded marked growth in recent years. After their existence, they are useful and successful for the evolution of a vibrant, competitive and dynamic financial system in Indian money market. The success factors of their business has been by making the most of their ability to contain risk, adapt to changes and tap demand in markets that are likely to be avoided by the bigger players. Thus, the need for uniform practices and level playing field for NBFCs in India is indispensable.

World over, the support from the governments and the central banks, has brightened the global growth outlook for 2021. As per the International Monetary Fund's projection, the global economy is anticipated to expand by approximately 6%, on a lower base of estimated 3.3% degrowth. With massive vaccination drives underway, risks to recovery are likely to abate, thus leading to a gain in the momentum of economic activities.

### **Industry Structure and Developments**

The financial year 2020-21 had been quite a challenging year for the Indian economy and particularly for the financial services sector. The continued liquidity crunch, uncertain and volatile credit environment and slow economic growth created headwinds. The COVID-19 pandemic and subsequent lockdowns have impacted the businesses and aggravated the prevailing sectoral challenges. Non- Banking Financial Companies (NBFCs), today, are confronted with multiple challenges. The unprecedented business environment has put to test the resilience, prudence and adaptability of any business model. The Company continues to closely observe the situation.

Over the course of last year, vaccination drives raised hopes, whereas renewed waves and new virus variants continue to pose concerns for the outlook. The continued spread of the COVID-19 pandemic and the subsequent synchronized lockdown across major cities in India resulted in shrinking of the capital market lending business.

### **Opportunities and Threats**

Despite the optimism surrounding the ongoing vaccination drive, the recent resurgence in the country's COVID-19 infections has raised the threat of fresh pandemic restrictions. As of April 2021, many states had enforced complete lockdown thus, posing a risk to a smooth economic recovery. The RBI expects that gross Non Performing Asset (NPAs) of Scheduled Commercial Banks (SCBs) might rise to 13.5% under the baseline stress scenario. It is also estimated to further escalate under a severe stress scenario by the end of 2021. The banks would, thus, need to make higher provisions to cover the stressed assets. This in turn could impair the credit available for investment spending. Similarly, the RBI expects asset quality of NBFCs to deteriorate further due to disruption of business operations caused by the pandemic.

Your Company is committed to addressing these changes bolstered by its strengths in market position, agile execution capabilities, robust early warning systems and extensive use of analytics for risk mitigation and resource allocation. It will ensure to take advantage of the tailwinds that may emerge during the course of the year.

### **Human Resources**

People remain the most valuable asset of your company. Your company continued to build on its capabilities in getting the right talent to support different products and geographies and is taking effective steps to retain talent. A highly evolved Human Resource Policy has ensured a minimal rate of attrition amongst executives.

### **Internal Control System**

Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. The Company has put in place an adequate internal control system to safeguard all assets and ensure operational excellence. The system also meticulously records all transaction details and ensures regulatory compliance.

Your Management has put in place effective Internal Control Systems to provide reasonable assurance for:

- Safeguarding Assets and their usage.
- Maintenance of Proper Accounting Records and
- Adequacy and reliability of the information used for carrying on business operations.

### **Risks and Concerns**

The very nature of the Company's business makes it subject to various kinds of risks. The Company encounters credit risk and operational risks in its daily business operations. Further the performance of the Company is dependent on the capital markets for its returns. Even though it is envisaged that Indian stock market will continue to do well, global concerns can result in sharp corrections.

### **Cautionary Statement:**

Statement in the Management Discussion and Analysis and Directors Report describing the company's strengths, strategies, projections and estimates are forward-looking statements and progressive within the meaning of applicable laws and regulations. The actual results may vary from those expressed or implied, depending upon economic conditions, Government Policies and other incidental factors.

**SECRETARIAL AUDIT REPORT**  
**FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020**  
[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**Mathew Easow Research Securities Limited**  
**CIN: L74910WB1994PLC064483**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mathew Easow Research Securities Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit and the representations made by the Company, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2021 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records made available to me and maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **Not Applicable to the Company during the Audit Period.**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

  - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - **Not Applicable to the Company during the Audit Period;**
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - **Not Applicable to the Company during the Audit Period;**
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **Not Applicable to the Company during the Audit period;**
- (vi) Other specific business/industry related laws that are applicable to the Company, viz. NBFC - The Reserve Bank of India Act, 1934 and all applicable Laws, Rules, Regulations, Guidelines, Circulars, Notifications issued by the Reserve Bank of India.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards of the Institute of Company Secretaries of India.
- (ii) Securities and Exchange Board of India (Listing obligations and Disclosure Requirements) Regulation 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above subject to the following observation:

During the period under review, the office of Key Managerial Personnel i.e. Chief Financial Officer remained vacant..

I further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. Adequate notice was given to all Directors in advance to schedule the Board Meetings. Agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings, Committee Meetings as recorded in the minutes books of the Company were carried out unanimously.

I further report that as represented by the Company and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

## **INDEPENDENT AUDITORS' REPORT**

### **To the Members of MATHEW EASOW RESEARCH SECURITIES LIMITED**

#### **Report on the Audit of the Standalone Financial Statements**

##### **Opinion**

We have audited the standalone financial statements of MATHEW EASOW RESEARCH SECURITIES LIMITED ("the Company"), which comprise the balance sheet as at March 31, 2021, and the statement of Profit and Loss (including other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profits, changes in equity and its cash flows for the year ended on that date.

##### **Basis for opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Emphasis of Matter**

We draw attention to Note 37 of the standalone financial statements, as regards the management's evaluation of COVID-19 impact on the future performance of the Company.

Our opinion is not modified in respect of the matter.

##### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. We did not come across any matter of such material significance to be reported in this section.

##### **Information Other than the Standalone Financial Statements and Auditors' Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion and Analysis Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of the Management and those charged with governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act; and
  - f) Regarding adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal control with reference to financial statements.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations and hence, there is no disclosure of the same in its financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

## **ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT**

**(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)**

**Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of MATHEW EASOW RESEARCH SECURITIES LIMITED ("the Company") as at March 31, 2021 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

### **Meaning of Internal Financial Controls with reference to financial statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's

internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **1. CORPORATE INFORMATION**

Mathew Easow Research Securities Limited ("the Company"), is a Public Limited company engaged in investment and finance activities and is registered as a Non-Banking Financial (Non-Deposit Accepting) Company with the Reserve Bank of India vide Registration no.: 05.002088 dated May 06, 1998 and its equity shares are currently quoted on the BSE Limited.

## **2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

### **2.1 Statement of Compliance**

The financial statement has been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act"). The Company has complied with Ind AS issued, notified and made effective till the date of authorisation of the financial statements.

#### **Application of new and revised standards:**

Accounting Policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

Effective April 01, 2020, there were certain amendments in Indian Accounting Standards (Ind AS) vide Companies (Indian Accounting Standards) Amendment Rules, 2020 notifying amendment to existing Ind AS 1 'Presentation of Financial Statements', Ind AS 8 'Accounting Policies, Changes in Estimates and Errors', Ind AS 10 'Events after the Reporting Period', Ind AS 34 'Interim Financial Reporting', Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets', Ind AS 103 'Business Combinations', Ind AS 107 'Financial Instruments: Disclosures', Ind AS 109 'Financial Instruments', Ind AS 116 'Leases'.

Ind AS 1 has been modified to redefine the term 'Material' and consequential amendments have been made in Ind AS 8, Ind AS 10, Ind AS 34 and Ind AS 37.

Ind AS 103 dealing with 'Business Combination' has defined the term 'Business' to determine whether a transaction or event is a business combination. Amendment to Ind AS 107 and 109 relate to hedging relationship directly affected by Interest Rate Benchmark reforms. The amendment among other things requires an entity to assume that Interest Rate Benchmark on which hedged cash flows are based is not altered as a result of Interest Rate Benchmark reforms.

Ind AS 116 dealing with 'Leases' permitted lessees, as a practical expedient, not to assess whether rent concessions that occur as a direct consequence of COVID-19 pandemic and meet specified conditions are lease modifications and, instead, to account for those rent concessions as if they were not lease modifications.

Revision in these standards did not have any material impact on the profit/loss and earning per share for the year..

### **2.2 Recent accounting pronouncements**

On June 18, 2021, Ministry of Corporate Affairs ("MCA") has issued Companies (Indian Accounting Standards) Amendment Rules, 2021 notifying amendments to certain existing Ind AS. These amendments have been made effective from the date of publication in the Official Gazette i.e. on 18th June, 2021. Certain such Ind AS which are relevant to companies operations includes Ind AS 116 "Leases", Ind AS 109 "Financial Instruments" and Ind AS 16 "Property, Plant and Equipment".

Even though the company will evaluate the impact of the above, none of these amendments as such are vital in nature and as are not likely to have any material impact on the financial statements of the company. There are other amendments in various others Ind AS which have not been listed hereinabove since these are not relevant to the company.

## **3 SIGNIFICANT ACCOUNTING POLICIES**

### **A. BASIS OF PREPARATION**

The Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification.

The Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal lakhs except otherwise stated.

**Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

**B. PROPERTY PLANT AND EQUIPMENT (PPE)**

Property, Plant and Equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes, inward freight and other expenses incidental to acquisition or installation and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended for its use.

Parts of an item of PPE having different useful lives and material value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred.

**Depreciation and Amortization**

Depreciation on PPE except as stated below, is provided as per Schedule II of the Companies Act, 2013 on straight line method in respect of Plant and Equipments and Office Equipments at all location of the Company.

Depreciation on Property, Plant and Equipments commences when the assets are ready for their intended use. Based on above, the useful lives as estimated for other assets considered for depreciation are as follows:

Category	Useful life
<b>Buildings</b>	
Non-Factory Building	30 Years
<b>Computer equipment</b>	
Data Processing Equipment	3 Years
Furniture and fixtures, Electrical Machinery	10 Years
Office equipment	5 Years
<b>Vehicles</b>	
Motor Car	8 Years

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Depreciation methods, useful lives, residual values are reviewed and adjusted as appropriate, at each reporting date.

**C. INTANGIBLE ASSETS**

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes less accumulated amount of amortization and impairment losses. Such assets, are amortised over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

Depreciation methods and useful lives are reviewed, and adjusted as appropriate, at each reporting date.

**D. DERECOGNITION OF TANGIBLE AND INTANGIBLE ASSETS**

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

#### **E. LEASES**

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options considered for arriving at ROU and lease liability when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment, whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Lease liability obligations are presented separately under the head "Financial Liabilities".

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

#### **F. IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS**

Tangible, Intangible and ROU assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets' fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

#### **G. FINANCIAL ASSETS AND FINANCIAL LIABILITIES**

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial Liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

**(i) Cash and cash equivalents**

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

**(ii) Financial Assets and Financial Liabilities measured at amortised cost**

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

**(iv)** For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

**(v) Financial Assets or Liabilities at Fair value through profit or loss**

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

**(vi) Impairment of financial assets**

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for loans and advances or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

**(vii) Derecognition of financial instruments**

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

**H. EQUITY SHARE CAPITAL**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

**I. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

**J. EMPLOYEE BENEFITS**

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered. Contribution to defined contribution plans such as Provident Fund etc, are recognised as and when incurred.

Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the Balance Sheet with a corresponding debit or credit to Retained Earnings through Other Comprehensive Income ("OCI") in the period in which they occur.

Other long term employee benefits consisting of Leave Encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain/loss are recognised in the Statement of profit and loss.

**K. REVENUE**

**Interest and Dividend**

The Company follows the accrual method of accounting for recognition of Income excepting in cases of uncertainties of collections, which are recognized on receipt basis.

- Interest Income from financing by way of loan is recognised in terms of the respective agreements with the borrowers using effective interest rate method.
- Dividend from Investments is accounted for when right to receive the same is established.

In accordance with the guidelines issued by the Reserve Bank of India (RBI), incomes against non-performing assets are recognised on receipt basis.

**L. BORROWING COSTS**

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

**M. TAXES ON INCOME**

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) measured in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability and such benefit can be measured reliably and it is probable that the future economic benefit associated with same will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

**N. EARNINGS PER SHARE**

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares

**O. SEGMENT REPORTING**

Operating segments are identified and reported taking into account the different risk and return, organisation structure and the internal reporting provided to the chief-operating decision maker. The chief operating decision maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Segment manager who allocates resources and assess the operating activities, financial results, forecasts, or plans for the segment.

**4 CRITICAL ACCOUNTING JUDGMENTS, ASSUMPTIONS AND KEY SOURCES OF ESTIMATION AND UNCERTAINTY**

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

**a) Depreciation / amortization and impairment on property, plant and equipment / intangible assets.**

Property, plant and equipment and intangible assets are depreciated/ amortized on straight-line basis over the estimated useful lives (or lease term if shorter) in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The company reviews its carrying value of its Tangible and Intangible Assets whenever there is objective evidence that the assets are impaired. In such situation, Assets' recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation / amortization and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

**b) Impairment loss allowances of loans and advances**

Classification of loans and advances are made as per the guidelines prescribed by RBI. Provision against performing (standard) and non-performing assets are made as required in terms of prudential norms prescribed by RBI. Further, assets which are considered non recoverable are fully provided for / written off.

**c) Income taxes**

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

**d) Provisions and Contingencies**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

**35. FINANCIAL INSTRUMENTS**

The accounting classification of each category of financial instrument, their carrying amount and fair value are as follows:

Particulars	As at March 31, 2021		As at March 31, 2020	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
<b>Financial Assets</b>				
<b>Financial Assets measured at Amortised Cost</b>				
Cash and cash equivalents	14.08	14.08	36.77	36.77

Borrowings (Other than Debt Securities)	3,123.89	3,123.89	1,588.72	1,588.72

**Fair Valuation Techniques**

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- The fair value of cash and cash equivalents, loans, current trade payables, current financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values.

- The Company's long-term debt has been contracted at floating rates of interest. Fair value of variable interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost. In respect of fixed interest rate borrowings, fair value is determined by using discount rates that reflects the present borrowing rate of the company.

**Fair value hierarchy**

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:-

**i) Level 1 :-** Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published by mutual fund operators at the balance sheet date.

**ii) Level 2 :-** Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

**iii) Level 3 :-** Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at balance sheet date:

Particulars	As at March 31	Fair value measurements at reporting date using		
		Level 1	Level 2	Level 3
<b>Financial Assets</b>				
Security Deposits	0.46	-	0.46	-
	(0.46)	-	(0.46)	-

(\*) Figures in round brackets ( ) indicate figures as at March 31, 2020

During the year ended March 31, 2021 and March 31, 2020, there were no transfers between Level 1, Level 2 and Level 3.

The Inputs used in fair valuation measurement are as follows:

Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on the Effective Interest Rate.

**FINANCIAL RISK FACTORS**

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

**MARKET RISK**

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes investments and trade and other payables.

**Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company doesn't have exposure to the risk of changes in foreign exchange rates and hence is not subjected to such risk.

**Interest rate risk**

Interest rate risk arises when there is a mismatch between positions, which are subject to interest rate adjustment within a specified period. The Company's lending and funding activities give rise to interest rate risk.

The immediate impact of variation in interest rate is on the Company's net interest income, while a long term impact is on the Company's net worth since the economic value of the assets, liabilities and off-balance sheet exposures are affected. While assessing interest rate risks, signals given to the market by RBI and government departments from time to time and the financial industry's reaction to them shall be continuously monitored.

Interest Rate Risk arises due to:

- i) Changes in Regulatory or Market Conditions affecting the interest rates
- ii) Short term volatility
- iii) Prepayment risk translating into a reinvestment risk
- iv) Real interest rate risk.

In short run, change in interest rate affects Company's earnings and in long run it affects Market Value of Equity (MVE) or net worth. It is essential for the Company to not only quantify the interest rate risk but also to manage it proactively. The Company mitigates its interest rate risk by keeping a balanced portfolio of fixed and variable rate loans and borrowings. Further Company carries out Earnings at risk analysis and maturity gap analysis at quarterly intervals to quantify the risk.

With all other variables held constant, the following table demonstrates the impact of the Interest Rate on floating rate portion of loans and borrowings and Advances are given as under:

Particulars	Effect on Profit before tax	
	For the year ended March 31, 2021	For the year ended March 31, 2020
<b>Increase in 50 basis points</b>		
Borrowings- Floating Rate	15.62	7.94
<b>Increase in 50 basis points</b>		
Loans and Advances- Floating Rate	16.45	11.72

**Other price risk**

Other price risk of the financial instrument to which the company is exposed is not expected to be material.

**CREDIT RISK**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily loans or interest accrued balances). The management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. The Company periodically assesses the financial reliability of its borrowers, taking into account the financial condition and current economic trends.

The carrying amount of respective financial assets recognised in the financial statements, (net of impairment losses) represents the Company's maximum exposure to credit risk.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of doubtful loans and advances. Receivables from its borrowers are reviewed/evaluated periodically by the management and appropriate provisions are made to the extent recovery there against has been considered to be remote.

**Financial assets that are neither past due nor impaired**

Cash and cash equivalents are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**

(₹ In Lakhs)

**LIQUIDITY RISK**

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's objective is to maintain optimum level of liquidity to meet its cash and collateral requirements at all times. The company relies on borrowings and internal accruals to meet its fund requirement. The current committed line of credit are sufficient to meet its short to medium term fund requirement.
